1. PURPOSE AND AUTHORITY OF THE ASIAN EARTHQUAKE AND TSUNAMI FUND

The scope and purpose of the Canadian Red Cross Society - Asian Earthquake and Tsunami Fund (the "Fund") was approved by the Board of Governors of the Canadian Red Cross Society (the "Society") on February 26, 2005.

As a result of the decisions made by the Board of Governors, the Fund is used exclusively to meet the immediate and long-term recovery needs of the people affected by the Asian Earthquake and Tsunami that occurred on December 26, 2004 and all investment income is restricted to the Fund. Donor-expressed designations that are more specific than the overall Fund purpose (for example, contributions for use in specific countries), will be strictly honoured and used in accordance with those designations. The Board of Governors approved the segregation of the Fund into the following Trusts:

- a) Undesignated General
- b) Canadian International Development Agency (CIDA) Matching Grant
- c) Sri Lanka
- d) Indonesia
- e) India
- f) Thailand
- g) Government of Alberta Fund

2. SIGNIFICANT ACCOUNTING POLICIES

The financial information has been prepared in accordance with the following significant accounting policies:

Basis of presentation

The accompanying financial information reflects the net funds available for beneficiaries and the changes in net funds available for beneficiaries of the Fund. The Fund is maintained as a separate set of accounts by the Society, and includes only those financial activities associated with the Society's response to the Asian Earthquake and Tsunami.

The Fund is an unincorporated operating segment of the Society. Accordingly, this financial information may not be indicative of the financial activity that would have been achieved if the Fund operated as an unaffiliated organization.

Donated services

The Fund benefits greatly from donated services in the form of volunteer work for various activities. The value of donated services is not recognized in the financial information because of the difficulty of measurement.

Revenue recognition

Corporate and government contributions are recognized as revenue at the earlier of the date of receipt or the date the contribution becomes receivable under the terms of the applicable funding agreement. Donations from individuals are recognized as revenue when received.

Long-term investments

Investments with a duration to maturity greater than one year from March 31, 2009 are presented as long-term investments and are recorded at fair value, with changes to unrealized gains or losses recorded on the Statement of Changes in Net Funds Available for Beneficiaries as appropriate.
