

Standard Child Care First Aid & CPR

Comprehensive two-day course offering first aid and cardiopulmonary resuscitation (CPR) skills with a focus on childhood injuries and illnesses. Designed for those in the early childhood education industry or those who want more knowledge to respond to emergencies involving children and babies. Includes the latest first aid and CPR guidelines. Exceeds competitors' standards by including injury prevention content, CPR and AED.

Duration

16–20 hours. Flexible scheduling options.

Instructor

Red Cross First Aid Instructor or Instructor Trainer

Completion Requirements

100% attendance, skills demonstration, and 75% min. passing grade on written exam

Certification

3-year certification in Standard Child Care First Aid, CPR Level B, and AED

Recertification

8–9 hours (may not be recognized by some provincial child care legislation, in which case the entire course has to be retaken)
