RISKS RELATED TO COLD OR HEAT

How to protect yourself from cold or heat? Connect the images using arrows.

RISKS RELATED TO COLD OR HEAT

Complete the sentence with the recommended preventive measures in each case.

IF WE ARE UNDER THE SUN, WE SHOULD
USE sunscreen and wear a hat

IF IT IS VERY HOT, IT IS RECOMMENDED
TO drink plenty of water and
if possible do not expose yourself to the sun

IF IT IS VERY COLD AND MY CLOTHES GOT WET,
I SHOULD Take off my wet clothes
and cover myself with a blanket

INSECT STINGS

ANIMAL BITES

Connect with arrows the type of bite/sting that corresponds to each animal/insect.
