Respect in the Workplace

DURATION: 90 MINUTES ONLINE

PROMOTE RESPECT FOR A SAFER WORKPLACE

People want to work for – and do business with – organizations that demonstrate respect.

Respect in the Workplace is a dynamic online educational program that empowers all employees to understand, recognize and deal with harmful workplace behaviours.

Raise morale, enhance productivity and cut costs by building a safer, happier workplace with:

- A stronger corporate culture and reputation
- Less illness and absenteeism
- Higher attraction and retention of employees

Respect in the Workplace is a program delivered in partnership with Respect Group Inc. It is user-friendly and provides the following benefits:

- Convenient format saves progress so users can complete the course at their own pace
- Always accessible for on-going updates, recertification, reporting and databasing
- Complete, cost-effective integration with your brand and corporate infrastructure
