Walmart Canada will
contribute an additional
\$1,000,000 to help
communities in need.

Right now, someone's **neighbour** is in need.

Your gift will make a big difference to a neighbour in Canada:

Every 3 hours the Red Cross helps a neighbour in need facing a personal disaster in Canada.

\$3 could provide a comfort kit to help a neighbour maintain their dignity after disaster strikes.

\$7 could give a teddy bear to a child in need to provide comfort after a house fire or flood.

Help the Red Cross respond to emergencies across Canada. **Please give today.**
